

# Robot Physicist

Team = [Manoj Kumar, Michele Ceru, Phil Yeres]

Advisor = Kyle Cranmer

# Project Milestones

October 6: Presented V1 of the Robot Physicist (RP) to our mentor

October 13: Pitched our project to the class

October 14 - 19:

- Received feedback from our mentor
- Iterated to develop an RP V2

October 20: Met with project adviser for a code review

October 27: Study Bayesian decision theory material and develop RP V3

November 3: Incorporate physics data generator in RP

**Thanks!**
